THE HUMBER NEWS April 2021

Principal's Message:

Dear Families:

So happy it's Spring! I'm also happy we made it back after March Break this year! I want to again, thank you for all your support in helping us continue to follow Public Health rules. As we all know, even though cases are low, they can rise again quickly and we want to ensure that Humber Park School is doing everything we can to keep our students and staff safe.

Yours in education,

Ms. White

Read a thon: Our Read-A-Thon fundraiser was a great success! Students were very committed to their reading each day and when the music played, everyone dropped everything and read and the school was so quiet! In addition to working hard to improve our reading, we were able to raise \$1588! This money will be used to add to our classroom libraries, support our classrooms with supplies that they need and the rest will be put toward the installation of the new sound system in the gym when Covid protocols allow.

Lunch Monitor still needed: Although we have enough lunch monitors to cover the P-6 classes most days, we are still in need of additional lunch monitors to cover classes from Pre-Primary to six. If you are interested in helping us out on one or any of these days, can you please call Mrs. Pelley at the school and she will help you get set up!

Traffic Issues: Thank you for all the families that help me keep our children safe at arrival and dismissal each day. The safety of our students is too important.

SAC: The SAC is our School Advisory Council, which brings together school stakeholders and individuals from local communities who share an interest in promoting student success. They provide parents/guardians, school staff, community members and when appropriate, students, with a voice to influence decisions that have an impact on student learning and well-being. As advisory bodies, SAC's bring partners together to provide principals and Regional Centers of Education (RCE's) with advice that reflects the best interests of students from the point of view of the school community. SACs receive their authority from the Education Act (2018). The following parents and community members are part of our SAC:
Marilyn Smith— chair, Teaira Cain, Jeanine Goulet, Larissa Lee, Hollie

Pearce and Fiona Coulter Our next virtual meeting is on Tuesday, April 27th at 6:00 for all members.

Important Upcoming Dates:

- April 2nd No school – Good Friday
